EXECUJET CELEBRATES 10 YEARS OF OPERATIONS IN MELBOURNE

News / Business aviation

ExecuJet is celebrating its 10th anniversary of operations in Melbourne at the Australian International Air Show 2017.

ExecuJet Melbourne offers MRO, FBO and Aircraft Operations services. The MRO provides a 2,700m2 facility, workshops and stores supporting Melbourne based and visiting aircraft. In 2011, ExecuJet expanded its services to include FBO providing passengers with VIP services and amenities from a dedicated, purpose built VIP lounge.

Darren McGoldrick, Vice President, Asia-Pacific, ExecuJet, says: “We are delighted to be celebrating this significant landmark here in Melbourne. Our decade of successful growth reflects ExecuJet’s commitment to quality, safety and service, which saw our MRO win Bombardier’s ‘Best Line Maintenance Facility’ award in 2014.

“The credit must go to our staff who have worked tirelessly in providing the excellent service that has attracted customers and ensured they have continued to use ExecuJet. We must also thank

our customers who have been extremely loyal to us over the 10 years and enabled us to grow.”

ExecuJet’s Melbourne MRO holds an Australian CASA Certificate of Approval, New Zealand CAA approval and is an FAA Part 145 Repair Station, enabling the company to work on a wide range of business jets, turboprops and light aircraft. The facility is also an Authorized Service Centre for Hawker Beechcraft, Gulfstream, Bombardier and Embraer.
