Customers needing more space can charter Falcon's VIP 19-seat Embraer Lineage 1000 which offers five partitioned cabin zones for business, a lounge and relaxation area (which can be custom-fitted to be a children's zone), and a secluded rear cabin fully equipped with two sofas that are quickly converted into comfortable bed spaces.

Falcon's 14-seat Gulfstream G450, which flies higher than many other aircraft types in adverse weather conditions, is also included in the offer.
