JET.AI SIGNS AGREEMENT ON CESSNA CITATION CJ4 GEN2 FLEET ORDER FROM TEXTRON AVIATION FOR FRACTIONAL PROGRAM

News / Business aviation

Jet.AI announced a fleet purchase agreement with Textron Aviation for the purchase of three Cessna Citation CJ4 Gen2 aircraft. With deliveries scheduled for Q2, Q3 and Q4 of 2026, the new aircraft will join the Jet.AI fleet as part of a brand-new CJ4 Gen2 fractional program. Jet.AI offers fractional jet ownership for individuals and businesses seeking flexible and convenient private aviation solutions.

Mike Winston, Founder and Chairman of Jet.AI commented: “Because our customers love the Cessna Citation CJ4 we already operate we’re enthusiastic about edging into more capacity in this aircraft – the largest member of Textron Aviation’s legendary CJ family. Since its introduction 14 years ago, the CJ4 has been continually improved by Textron Aviation and has established a track record of reliable service. It offers existing light jet customers an excellent upgrade option to serve

their travel needs.”

Fractional owners will enjoy guaranteed access to the Citation CJ4 Gen2, a nine-passenger, light jet known for its high speed, 45,000-ft flight ceiling, advanced avionics suite, quiet cabin, luxurious seating, and seamless connectivity. The CJ4 Gen 2 is designed for both comfort and operational efficiency, and fits fractional ownership clients who depend on private aviation for both business and personal use.

Jet.AI currently operates three HondaJets, one Citation CJ4 and a King Air 350i aircraft. This agreement comes in addition to its existing super-mid fleet expansion plan.
