JINGGONG NAMED ECLIPSE 550 DISTRIBUTOR FOR CHINA

News / Business aviation

One Aviation named **Jinggong** (Beijing) General Aviation the exclusive **distributor** for the **Eclipse 550** very light jet in **China**. Eleven-year-old Jinggong offers sales, training and service for each of the various general aviation aircraft brands - Cirrus Aircraft and Mahindra Airvan among them - it represents in the country.

According to One Aviation CEO Alan Klapmeier, “Jinggong has always maintained its position at the forefront of innovation in Chinese aviation. One Aviation appreciates the as-yet-untapped sales potential available within China for the light jet market, and we are excited to join with a group like Jinggong that shares our vision of aviation growth in China.”

Jinggong and subsidiary Shaanxi Jinggong General Aviation are “category A” general aviation companies approved by the Civil Aviation Administration of China. Through these two companies,
