PHENIX JET CAYMAN NOW ACCEPTS CRYPTOCURRENCY PAYMENTS FOR PRIVATE JET TRAVEL

News / Business aviation

Phenix Jet Cayman announced a partnership with Deus X Pay. Clients can now seamlessly pay for private flights using cryptocurrency—making transactions faster, more secure, and hassle-free. This collaboration marks a major step forward in modernizing private jet travel payments—bringing cutting-edge crypto solutions to the skies.

Andrew Svoboda, Chief Executive Officer at Phenix Jet Cayman,commented: “In an industry where luxury and convenience define excellence, this integration enables us to effectively meet the growing market demand for flexible, borderless transactions. By adopting crypto payments, we’re not just keeping pace with change—we’re advancing the future of elite air travel, ensuring our clients experience unmatched convenience, security and efficiency at every step.”

Richard Crook, CEO of Deus X Pay, stated: “Working with Phenix Jet Cayman showcases our mutual goal of modernising payment processes in the luxury travel sector. Our cryptocurrency solutions will not only simplify transactions but also provide Phenix Jet Cayman’s clients with secure, efficient payment options that meet the demands of today’s evolving landscape.”
