The avgeeks at Arconics never stop talking about aircraft and can never agree on which is the greatest. So we put a few of our suggestions together in a recent blogpost and used these to create a shortlist of ten great civil aircraft. Voting is now open.

B747, Concorde, C172, VC10, B737, A350, A380, B707, DC3, A320

Voters also have the option to vote for any other aircraft. Voting closes on 19 August 2016 and the winning aircraft will be announced on 26 August 2016.

Your assistance in promoting this poll will be appreciated. Please cast your own vote...
