BUSINESS AVIATION PROFESSIONALS WILL GIVE INSIGHT IN MARKET TRENDS AT JURMALA BUSINESS AVIATION FORUM

News / Events / Festivals

Jurmala Business Aviation Forum (JUBAF) has released the agenda of the event that will take place in Jurmala, Latvia, August 16-18, 2018. Industry experts and executives of business aviation companies, brokers, FBOs and MRO providers from Europe, the CIS and Russia will give their vision and insights in market trends, and discuss successful business approaches and best practices.

Stanley Bugeja, managing director of DC Aviation, will talk about the specifics of aircraft operation in Malta, one of the smallest European countries. In his speech, he will explain why airlines need more than an operator's certificate (AOC), and will reveal successful strategy to meet owners' and shareholders' expectations.

David Colindres, president of San Marino Aircraft Registry, will share his expert view on how to choose a country of registry and the advantages of different countries for owners and operators, and uncover the phenomenon of San Marino Aircraft Registry.

Charlotte Pedersen, CEO of Luxaviation Helicopters, will reveal the fascinating world of helicopters, tell about their current areas of use, and look into the future of helicopter–jet connection.
