Jetex Flight Support has been appointed as the official FBO and handler for the MEBAA Show 2018. The event is organized by Tarsus F&E LLC Middle East on behalf of the Middle East & North Africa Business Aviation Association (MEBAA) at the DWC Airshow Site from 10th to 12th of December.

“Our continued partnership with Jetex proves that the quality standards the company offers to its clients are unrivaled and renowned. We are very pleased to be collaborating with Jetex again to create what is sure to be another successful edition of the MEBAA Show,” said Michele van Akelijen, managing director of Tarsus F&E LLC Middle East.

Jetex will be providing full support for all business aviation flights that are operating from the VIP terminal in the Aviation District in DWC. Jetex will also be offering its high-quality FBO facilities for the passengers and crew, as well as customs and immigration services, visa arrangements, aircraft parking, and coordination of aircraft display areas at the MEBAA Show 2018.

“We are proud to be associated with MEBAA and to be appointed as its official handler for the third time. We look forward to be working in partnership Tarsus F&E LLC Middle East and MEBAA once again and to be part of the MEBAA show, one of the most significant shows within the MENA region. Jetex has been trusted to work with MEBAA for another year and is prepared to exceed its expectations, as well as its customers',” said Adel Mardini, CEO, and president of Jetex.

The Jetex Dubai FBO works 24-hours and offers round-the-clock customs clearance that is catered to private, business and government VIP travelers. Offering dedicated executive passenger and crew lounges, Jetex is the first FBO in Dubai to be IS-BAH, and NATA Safety First certified. The Jetex Dubai FBO provides a full range of services that include all FBO and ramp services, in addition to concierge services for customers seeking VIP transportation, hotel accommodation and more.
