Elite Aviation Products, an advanced design, engineering, and manufacturing company within the aerospace industry, will host their **second annual Aerospace & Defense Symposium** at the Lyon Air Museum in Santa Ana, California. The event will include a wide variety of guests from original equipment manufacturers, financial institutions, industry leaders, media and elected officials.

What:	2nd Annual Aerospace & Defense Symposium
Who:	John Ratzenberger – Master of Ceremonies; William Scott – Keynote speaker
When:	Tuesday, December 15th, 2015 / 5:30 p.m.
Where:	Lyon Air Museum, 19300 Ike Jones Rd, Santa Ana, CA
Media:	diane@fireituppr.com / 617-304-1940

John Ratzenberger – actor, director, entrepreneur and Chief Advisor of Industrialization to Elite Aviation Products – is master of ceremonies. The keynote speaker is William Scott, former bureau chief of Aviation Week & Space Technology, co-author of three books and an Air Force veteran. Dustin Tillman, President and CEO of Elite Aviation Products and Zeeshawn Zia, COO of Elite Aviation Products will speak to the state of the industry.

"We look forward to hosting this event all year round," said Tillman. "It presents a tremendous opportunity for all those involved in the industry not only to stay apprised of the latest developments, gain valuable insights into the future of the Aerospace & Defense industry and discuss our collective future outlook, but also to forge new partnerships and come together as a community to discuss the exciting challenges that await us in the not-too-distant future," adds Tillman.
