SAUDI BUSINESS AVIATION CONFERENCE TO BE HELD ON NOVEMBER 24

News / Business aviation, Events / Festivals

The **Saudi Business Aviation Conference** will be held in on **November 24** -26 2015 in Maghwat Palace Conference Center based in Hail.

Organised by the High Commission for the Development of Hail, with the support of the General Authority of Civil Aviation – Saudi Arabia, the conference will discuss couple of major topics in the field of private aviation and will provide an ideal platform to meet with experts and specialists in the Saudi and International Private Aviation sectors and to explore current and future opportunities. It will also support and enhance the development of private aviation industry in order to transform the Kingdom to a significant centre for the private aviation in the Middle East Region.

The conference will have an exhibition featuring more than 40 exhibitors and 200 newcomer participants.
