THE MUST-ATTEND EDITION - HELITECH EXPO - THREE WEEKS TO GO

News / Events / Festivals

Helitech Expo had its most successful year to date, making its debut under the new management of multi-award-winning Fortem International, and will be transforming the ExCeL London once again on the 7th & 8th September 2022 for the must-attend edition!

Whether you're looking for the latest rotorcraft technologies, safety, MROs, OEMs or updates regarding post Brexit certifications, or even exciting new marketing options, you can find everything you need to improve your business - all under one roof!

The event aims to welcome a brand new lineup of expert speakers who will be talking about the hottest topics and sharing their tips and tricks for the ever-changing industry!

A wide range of exhibitors to help you source the most innovative products, everything from the cutting edge technology to the most sought-after safety innovations, try and test the highest quality helicopters with our exhibitors showcasing the most recent flight simulators as well as so much more! Organizers hand-pick suppliers to ensure they cater to the demand of the industry in order to give visitors the best opportunities to do business with highly targeted buyers and suppliers.

So, are you looking for the solutions for 2022? Do you want to appeal to a wider demographic through your products or marketing? Are you looking to meet MROs and OEMs? Need to keep up to date with the competition? Want to meet some industry experts with unrivaled experience in the industry? Then the ExCeL London is the place for you on the 7th & 8th September.

Helitech Expo is running next door to the UK's leading business event for the UAV sector, DroneX Tradeshow & Conference which together will bring everything you need for the complimentary use of drones within your missions.

Register for free tickets to attend via the website. We look forward to welcoming you to the event on the 7th & 8th September, ExCeL London,

21 AUGUST 2022
