UP TO DECEMBER 20, COMPANIES PARTICIPATING IN HELIRUSSIA 2016 WILL RECEIVE A SPECIAL DISCOUNT

News / Events / Festivals

IX International Helicopter Industry Exhibition **HeliRussia** will be held from May 19th to 21st 2016 in Moscow. The exhibition is organized by the Ministry of Industry and Trade of the Russian Federation. For participants registered before December 20, 2015, a special offer is available – they'll get a 10% discount on exhibition spaces rental.

HeliRussia 2016 gathers all leading and promising players of the helicopter industry. In addition to the extensive list of Russian companies that have already confirmed their participation, aerospace companies from 13 countries will be joining HeliRussia 2016, including United States, Great Britain, Germany, France, Italy, Belgium, Belarus, Czech Republic, Lithuania, Norway, Netherlands, Spain and South Africa. It’s expected that more will follow.

All main US and EU helicopter manufacturers, including Airbus Helicopters, AgustaWestland and Bell Helicopter, will be organizing their respective stands, as well as Russian dealers of Robinson Helicopter Company. The French Aerospace Industries Association (Groupement des Industries Françaises Aéronautiques et Spatiales, abbreviated GIFAS) is organizing a joint stand of

companies occupied in development, manufacturing and maintenance of the aerospace systems and equipment. French conglomerate Safran, which includes Turbomeca, Sagem and Microturbo, will showcase new products at its own stand. Other companies, such as AeroSekur, Lom Praha and Zehr-Aero, will also join the exhibition.

Russian aerospace industry will be represented at HeliRussia 2016 by the Russian Helicopters, United Engine Corporation, KRET, Technodinamika, Rosoboronexport and other subsidiaries of the State Corporation Rostec. Exhibition regulars are the major Russian helicopter operators – UTair - Helicopter Services and PANH. As always, stands will be opened by aircraft systems manufacturers such as Transas Aviation, BETA AIR and Contour NIIRS. Companies involved in supply of equipment and services for helicopter industry, consulting and legal, providing MRO, annually joins HeliRussia.

International Helicopter Industry Exhibition is held in accordance with the Russian government's order. Along with civil aircrafts and technologies, military products are shown at HeliRussia. High-ranking Russian and international governmental officials showing interest in HeliRussia along with major industry premiers are guaranteeing large-scale coverage for the exhibition by the media. Comprehensive business program of the HeliRussia attracts aerospace experts from various fields.
