AVIAAM FINANCIAL LEASING CHINA ACQUIRES BOEING 737-800 WITH LEASE ATTACHED

News / Airlines, Finance

AviaAM Leasing, a global aviation holding company engaged in tailored aircraft leasing and trading services, announced that its joint venture with the Henan Civil Aviation Development and Investment Company (HNCA) – AviaAM Financial Leasing China – has recently acquired one more Boeing 737-800. The aircraft joined the fleet with a lease agreement attached to the current Chinese lessee – Donghai Airlines, who will operate the aircraft under 9 years agreement.

“This new partnership with Donghai Airlines gave us an opportunity to show the market that we are capable of finding solutions even in China market which is tough and massive. Not only our fleet but also client portfolio is expanding, and we look forward to accomplishing more challenges in 2020,” commented Tomas Virbickas, CEO of AviaAM Financial Leasing China.
