AVIAAM LEASING SELLS 4TH AIRBUS A321 WITH LEASE ATTACHED

News / Airlines, Finance

AviaAM Leasing, a Warsaw Stock Exchange listed aircraft leasing company, have sold 4th Airbus A321 aircraft from its fleet with lease attached. The ownership of the aircraft was transferred to the new lessor together with operating lease contract with Small Planet Airlines Poland.

On the 20th of July, AviaAM Leasing sold one Airbus A321-211 aircraft (MSN 2342) with lease attached. This was the 4th aircraft on lease with Small Planet Airlines that had been sold to the new owner within the last months. All 4 aircraft came in the configuration of 220 economy seats. The most recent sale of Airbus A321 aircraft completes the deal in respect to sale of total 4 Airbus A321s on lease with Small Planet Airlines.

“We’ve been in close partnership with Small Planet Airlines lately and this is a splendid end of one of many voluminous projects. We will be ready to continue our cooperation any time in the future and support the carrier’s bold expansion plans with the demanded aircraft type or specific configurations. All the best for them!” shared Tadas Goberis, Chairman of the Board and CEO of AviaAM Leasing.

Small Planet Airlines will further operate Airbus A321s on its most popular routes connecting passengers to the Mediterranean Sea resorts and other holiday destinations.
