BELL HELICOPTER AND TEXTRON AVIATION TO HIGHLIGHT ADVANCED COMMERCIAL AND DEFENCE PRODUCTS AT FIDAE 2016

News / Business aviation, Events / Festivals, Manufacturer

Bell Helicopter, Textron AirLand, Textron Aviation Inc. and Textron Systems, all businesses of Textron Inc., have announced their plans for the 19th edition of the International Air and Space Fair (FIDAE 2016) in Santiago, Chile, held March 29 through April 3. Textron will be displaying in Chalet C2 – C6.

For more than 35 years, FIDAE has brought together experts from diverse industry sectors, including civil and commercial aviation, defense, aircraft maintenance, airport support services and equipment, space technology and homeland security. This Latin American trade show works to provide the perfect environment for meetings and collaborations among professionals from the varied fields in aerospace and defense.

Within Textron's booth, attendees will have the opportunity to hear from subject matter experts while seeing several of Bell Helicopter’s advanced commercial products, including the Bell 505 Jet Ranger X, Bell 407GXP, and Bell 429.

Additionally, Bell Helicopter will provide customer demonstration flights in the Bell 407GXP.

“With Bell Helicopter’s longstanding history in Latin America, FIDAE serves as an integral opportunity for us to build upon that legacy,” said Jay Ortiz, Bell Helicopter’s vice president of Latin American sales. “We look forward to showcasing how our products are ideally suited for the diverse climate and geography across Latin America and offer the advanced technology, performance and safety for any mission.”

29 MARCH 2016
