BOEING, JET2.COM FINALIZE ORDER FOR THREE ADDITIONAL NEXT GENERATION 737-800S

News / Manufacturer

Boeing and UK Leisure Airline **Jet2.com finalized an order today for three Next Generation 737-800s**, valued at $288 million at current list prices.

Jet2.com previously ordered 27 Next Generation 737-800s in September 2015 and operates an all-Boeing fleet of more than 60 airplanes.

Jet2.com is a subsidiary of Dart Group PLC, a UK Aim listed Leisure Travel and Distribution & Logistics Group. The Company commenced commercial aircraft operations in 1983 and passenger flights to sun destinations from Leeds Bradford Airport in 2003.

Jet2.com now flies over three million customers each year through a combination of package holidays and flight only services to 55 destinations across 364 holiday resorts from seven Northern departure bases.
