BOEING WINS $855 MILLION CONTRACT FOR T-38C LOGISTICS SUPPORT

News / Manufacturer

Boeing Co has been awarded a contract worth $855 million to provide "avionics component integration and contractor logistics support" for T-38C aircraft, the Pentagon said on Monday.

The work is expected to be completed by January 2026, the Department of Defense said in its daily digest of major contract awards. It said two offers had been received but did not identify the company that made the other bid.
