CALC ORDERS 30 ADDITIONAL AIRBUS A320NEO FAMILY AIRCRAFT

News / Manufacturer

China Aircraft Leasing Group Holdings Limited has signed a firm order with Airbus for 30 A320neo Family aircraft to satisfy strong demand for the aircraft from its customer base. The agreement is the fifth order with Airbus, bringing the total number of Airbus aircraft ordered by CALC to 282, of which 203 are A320neo Family aircraft.

Mike Poon, Executive Director and CEO of CALC commented: “Our enduring partnership with Airbus has been central to CALC’s growth. This latest order reflects our shared vision for innovation and sustainable aviation. We are proud to grow alongside Airbus and to continue providing our airline customers worldwide with high-value, modern aircraft solutions.”

Benoît de Saint-Exupéry, Airbus EVP Sales of the Commercial Aircraft business stated: “CALC has been a long time valued partner of Airbus with its first order placed in 2012, and it's a privilege to see another repeat order. CALC’s deep understanding of the market and what its customers

demand is a solid endorsement of the A320neo Family. This commitment reinforces their strength as a lessor with the most efficient, versatile, and in-demand single-aisle aircraft for their customers."

The A320 Family is the world’s most popular single-aisle aircraft having won more than 19,000 orders globally. The Family includes the largest member, the A321neo offering unparalleled range and performance. The Family offers at least 20% fuel savings and CO? reduction compared to previous generation single-aisle aircraft, while maximising passenger comfort with one of the widest single-aisle cabins in the sky.

As with all Airbus aircraft, the A320 Family is able to operate with up to 50% Sustainable Aviation Fuel (SAF). Airbus is targeting to have its aircraft up to 100% SAF capable by 2030.
